

VOICES FOR CHANGE
STORY REPORT FORM

This form should *accompany the stories* of challenge / change that you collected from your partners, stakeholders, staff, community members and volunteers (one form for each story). The stories themselves can be written up or take the form of photos, short videos, drawings, poetry, etc.

Name of the organisation and person collecting the story:
The story was collected by Fundación Proyecto Ecológico Chiriboga (FUNPROCH) by Giuliana Vaca who is the president and project coordinator.

Who provided the story and in which form:
The story was provided by Giuliana during her experience working with the Shuar Community.

When and where did the challenges/changes illustrated in the story take place:
The story takes place in the Amazon region in the territory of the Shuar community, this situation has happened for a long time but it has been issued by the organization since 2021, when as organization we decided to run a project.

What kind of projects were implemented by your organisation in the place the story refers to :
FUNPROCH developed a project on organic and sustainable agriculture since 2022, but as organization, we have support them with volunteers to develop a project on ecotourism and the presence of volunteers in schools to teach subjects like English.

What does the storyteller believe is the significance of the events described in the story?
From our experience with the community, we could see that climate change is affecting them more and more, strong summers and floods affect their houses and farming land. The people are facing hunger because the diet mostly for kids is based in yuca and chicha. Unfortunately, their lack of other nutrients affects also their health and their intellectual capacity.
